

TRAVEL TO DALESDOWN

PLEASE NOTE

The A24 is a very busy dual carriageway and the crossing into and out of Honeybridge Lane is an accident black spot. Extreme care is necessary.

When traffic is very heavy, we recommend that cars leaving to turn north from Honeybridge Lane, first divert to the south, using the underpass on the Ashington junction, before joining the northbound carriageway.

Sat Nav Information

Firstly, please don't use our post code to locate us as it will take you up a narrow lane with no turning point.

For Apple Maps type Dalesdown Camping & Conference Centre into your search bar.

For Google Maps, TomTom & Waze type Dalesdown into your search bar.

Please note you need to use the exact wording, including capital letters and symbols, for directions to the Dalesdown car park.
